ABOUT ME

WordPress Developer with 3+ years of hands-on experience in Gutenberg and Classic editors, theme customization, custom templates, plugins, and content publishing. Skilled in HTML, CSS, JavaScript, Bootstrap, Laravel, and SQL, with strong expertise in SEO optimization, performance tuning, security best practices, and delivering responsive, high-quality WordPress websites.

EXPERIENCE

SR Technology

FEB 2022 - Present

WEB TECHNOLOGIES & RESPONSIVE DESIGN:

- Expertise in HTML5, CSS3, JavaScript, and Bootstrap for creating responsive, mobile-first web layouts.
- Skilled in performance optimization, cross-browser compatibility, and ensuring seamless user experiences on all devices.

VERSION CONTROL & COLLABORATION:

- Proficient in Git for version control, managing code repositories, and collaborating within Agile development teams.
- Strong communication skills, working effectively with designers, back-end developers, and stakeholders to deliver cohesive web applications.

WORDPRESS CUSTOMIZATION & PROBLEM-SOLVING:

- Experienced in WordPress theme customization, plugin integration, and enhancing site functionality.
- Demonstrated problem-solving abilities in debugging, optimizing code, and improving overall application performance.
